

Monthly Action Handgun Match

Blue Ridge Sportsman Club

1176 N. Fairville Avenue

Harrisburg, PA 17112

June 30, July 14, September 8, October 13, 2018

Sporting Clays course will also be open on these Saturdays

First relay: 9am

Second relay: noon

Mandatory Safety briefing is held prior to match

We will be setting up 4 action shooting stages based on recognized action shooting disciplines. The match will require a minimum of 75 rounds, more if you miss. The rules will be lenient as far as equipment, etc. but there will be a **STRONG** emphasis on **SAFETY**. Eye and ear protection is required for all shooters and bystanders. Any safe center fire semi auto handgun, or revolver is acceptable. No magnums, please. Magazines are limited to 10 rounds. You will need at least 3 magazines for some stages. More is better!

We operate a “Cold Range” which means that all guns are to be unloaded until the command to load has been given to the shooter on the course by the range safety officer. No guns are to be handled until the command has been given to the shooter on the firing line. “Safe tables” will be available.

- Targets may be a combination of cardboard, falling steel and static steel.
- There will be moving targets.
- There will be movement between shooting boxes on some stages.
- There will be “no-shoot” targets and obstructions (walls, windows, doors)

Holsters and magazine holders are recommended. We will be accommodating so that everyone can have some fun, regardless of skill level or equipment.

Guidance for shooters new to the action disciplines will be available.

Cost is \$10 per relay. Timing and scoring of runs will be done.

Food is available during these matches. The club’s kitchen will be open.

The handgun ranges at Blue Ridge will be closed to shooters not participating in the match. Handgun ranges will re-open to club members after 5pm on the days of the match.
